**INDIANA UTILITY
REGULATORY COMMISSION**

CAUSE NO. 42873

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") made the following entry in this Cause:

On November 30, 2005, the Petitioner PSI Energy, Inc., ("PSI" or "Petitioner") filed the *Verified Motion of PSI Energy, Inc., Requesting Acceptance of Late-Filed Rebuttal Testimony* ("Motion") in this Cause. In its Motion, PSI requests that the Commission accept for filing in this proceeding its late-filed prepared rebuttal testimony filed in this matter on November 30, 2005.

PSI indicates in its Motion that despite the exercise of due diligence by PSI, conditions beyond its control prevented it from pre-filing its rebuttal testimony with the Commission as required on November 29, 2005. PSI further indicates in its Motion that, upon realizing that the filing of its rebuttal testimony would not be made in a timely manner, it took all actions reasonably possible to mitigate any potential harm to any party in this proceeding. These steps included contacting the Presiding Chief Administrative Law Judge about the delay and providing electronic copies of its prefiled testimony to the Presiding Chief Administrative Law Judge and all parties to this proceeding on November 29, 2005. PSI ultimately filed its rebuttal testimony with the Commission just after the Commission's file room opened on the morning of November 30, 2005.

The Presiding Officers, having reviewed the Motion and being duly advised in the premises, hereby GRANT the Motion.

IT IS SO ORDERED.

David E. Ziegler, Commissioner

Scott R. Storms, Chief Administrative Law Judge
